

Request for Qualification for Engineering and Architectural Services

The City of Hidalgo is seeking Engineering and Architectural services for a Safe Routes to School Project. The Safe Routes to School Program is to enhance safety in and around school areas through a construction program designed to improve the bicycle and the pedestrian safety of school age children; encourage a healthy and active lifestyle from an early age; enable and encourage children, including those with disabilities, to walk and bicycle to school; and to facilitate projects and activities that will improve safety and reduce traffic, fuel consumption, and air pollution in the vicinity of schools.

The Safe Routes to School Project is being funded through Texas Department of Transportation.

Specifications may be obtained from:
City of Hidalgo – Finance Department
